Sandra Walden Returns Home After Heart Check-up

Mr. and Mrs. Raymond Walden returned home Friday with their 13-month old daughter, Sandra, whom they had taken to Dallas for examination by a heart specialist. They left here Wednesday and were at the Crippled Children's Hospital for the appointment Thursday.

The little girl has a congenital heart defect that will probably have to be corrected with surgery. They will take her back to Dallas in August for further examination and study.

Mexican Baptist Mission Plans Revival July 12-17

Dates for local revivals during the Latin-American Evangelistic Crusade in Baptist District 17 have been announced for this area. Rev. Lenard Hartley, pastor of the First Baptist Church here is chairman of the Crusade and Rev. L. L. Trott of Abilene is associate director.

The revival in Hamlin will be held July 12-17 in the Mexican Baptist Mission. Adrian Gonzalez of Costa Rica, will be the evangelist.

Hamlin Oilers Lead Teenage League

Hamlin Oilers found themselves in first place in the Western Cotton Belt League when they rapped the Anson Cubs 11-7 here last Friday night. It was the first loss for Anson. The Hamlin Colts took out the same Anson team at Anson Monday night 11-5 to put the Oilers in first place. The Oilers are 5-2 for the season and the Colts are 3-3. Milton Davis pitched for the Oilers and Larry McCoy was the Colt pitcher.

The Hamlin Hawks dropped out of a tie with Haskell when they lost to Haskell 3-2 here Monday night.

The Hamlin Merchants lost to Knox City last Friday night by a 3-0 score.

This week's schedules are:
June 27—O'Brien at Hamlin Merchants
June 28—Roby at Hamlin Colts
Hamlin Hawks at Rule
July 1—Rochester at Hamlin Hawks
July 2—Hamlin Merchants at Haskell
Hamlin Colts at Hamlin Oilers

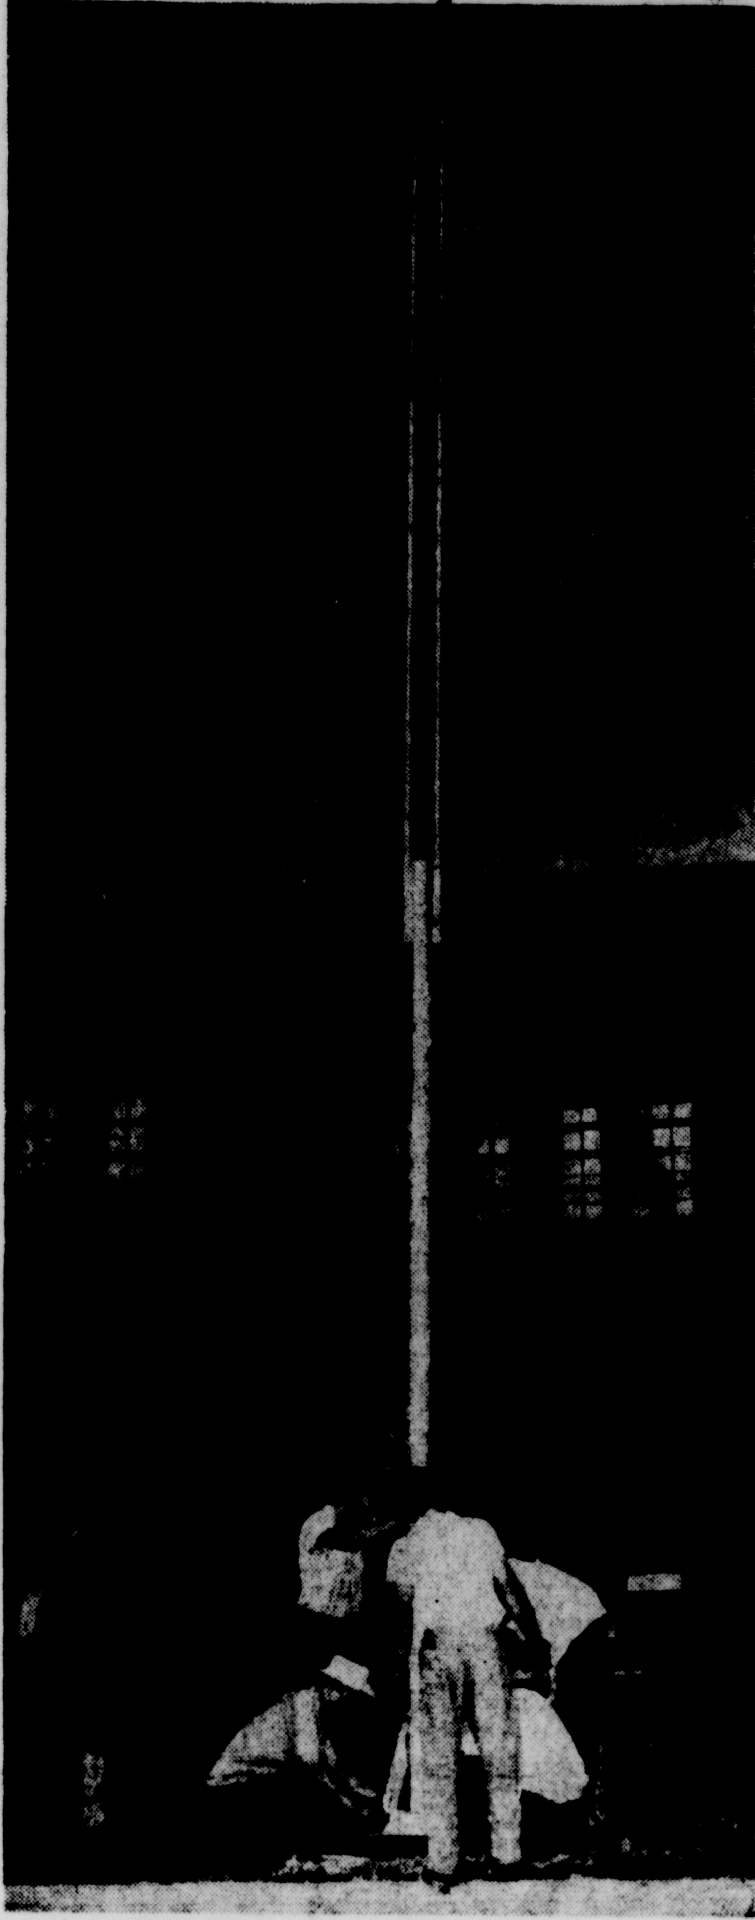

Rebels Win League Championship

Roscoe Glamour Girls were defeated by the Rebels last Saturday 18-3.

Hamlin won the league championship Monday when Mrs. Bobbie Smith pitched a no-hitter against the Roscoe Sluggers. The Rebels piled up 12 runs.

Saturday night the Rebels play Hermleigh and Monday they play the Glamour Girls.

The Rebels would like to thank Ted Seay for giving them the ice water for all their games.

SETTING LIGHT POLE IN PLACE—(Left) Members of the Hamlin Jaycees line up one of the four light poles installed at the high school tennis court Thursday night with the help of a winch truck furnished by Earl Johnson. James Wright, president of the club, said that the club is furnishing the poles and the labor for the project, the City Council furnished the lights and electrical equipment out of the city's recreational fund and the school will maintain the system. Shown above, left to right are: Joe Ford, Jerry Hilburn, Guy Weaver (kneeling), Nordie Bayouth, chairman, C. R. Dansby, and Wright (kneeling).

INSTALLING THE LIGHTS—(Above L. R. Browning is shown as he is in the process of installing two of the four lights to be mounted on each of the four 28-foot steel poles at the high school tennis courts. Each pole will have four 1500 watt lights mounted on them. The lights will be operated by two coin boxes, one for each court, and the charge will be 25c for 30 minutes and 10c for 10 minutes. As of Wednesday the lights were ready to be used with the exception of the installation of the coin boxes which have not arrived as yet. The school will receive the money from the boxes and in turn will furnish the electricity and the light bulbs.

COUNTY FILES THREE MORE DELINQUENT TAX SUITS

Three new tax suits were filed in 104th District Court at Anson this week by Bill B. Hart, delinquent tax collector for the county. Named were two pieces of property in Stamford and one in the Avoca school district.

One suit claims A. L. Sogee is delinquent with taxes on lot 6, block 110, original town of Stamford, for the years 1924 through 1925, also 1928 to 1935, and 1955 and 1962. Suit claims \$109.25 is due Jones County and \$79.40 is due the state of Texas.

Ava Taylor Davis of Austin is named for failure to pay taxes on oil royalty for production in the Avoca area. Petition claims taxes have not been paid for the years 1940 and 1941 and 1945 through 1962. State taxes total \$398.02 while due the county is \$574.61.

Floyd Lindsey, formerly of Stamford but now of Hereford was named in the third suit. Property involved is located on West McHarg Street and is

Russell to Show Slides at First Baptist Sunday

W. C. (Ted) Russell will show pictures of the recent Japan New Life Movement at the Sunday evening services at 7:45 p.m. the First Baptist Church. Mr. and Mrs. Russell were in Japan during the latter part of April and early May to participate in the evangelistic crusade.

The pictures will show the church activities at Kanazawa Shi, Japan, during the campaign. Mr. and Mrs. Russell were layworkers during the revival there with Rev. Brad Curry of Jacksonville, Texas.

They also have pictures of the Sampans, the people who live in boats on the water at Hong Kong.

Other pictures will be of missionaries and other activities of general interest.

28 Attend First Session of Short Course in Anson

Twenty eight agricultural leaders, fertilizer dealers and farm leaders attended the first session of the Fertilizer Short Course in the County Agent's office on Thursday night, June 20, according to information from county agent, Kirby Clayton.

John Box, Extension Agonomist and James Valentine, Extension Area Soil Chemist from Texas A.M. College gave talks on Nitrogen behavior in Soils, application and placement of fertilizer, nitrogen functions in plants, plant requirements, nitrogen sources and related subjects.

James Simmons, District Agent from Vernon, reported that there was an increase in the use of fertilizer in this area and that its use could well be the difference in profit and loss in future years.

The remaining two meetings will be held on Thursday night, June 27 at 7:30 and the morning of July 1 at 9:30.

EIGHT EXPECTED TO DIE ON STATE HIGHWAYS OVER FOURTH

AUSTIN—The director of the Texas Department of Public Safety reported today the state is approaching the midpoint in the years amid definite indications that traffic deaths will hit an all-time high in 1963.

Col. Homer Garrison Jr. at the same time announced that the expected traffic death toll for the Fourth of July is eight fatalities, and called upon Texas drivers to "make this holiday the turning point in this year's traffic toll."

"If we continue to take lives at the present rate 1963 will become the most deadly year in Texas history for traffic fatalities," he said. "Motorcycles at this time are over 100 more than at the same time last year, and considering the trend of increased accidents and casualties, we have every reason to expect that traffic deaths will exceed the previously all time high in Texas of 2,611 in 1956."

Only 194 more deaths in 1963 will make a total of 2,615 deaths, an all-time high and an increase for the year of eight percent over 1962. Deaths this year have consistently been in excess of eight percent over 1962.

Our Statistical Services advises that this is not just a probability, that it is fairly certain to become a reality unless something happens to break the trend.

Garrison said that "Operation Motorcycle" will be in effect from 12:01 a.m. until 11:59 p.m. July 4 in order to focus attention upon the added dangers of holiday traffic is at a peak. As part of the operation, which calls for maximum enforcement and public support, additional personnel from other uniformed services of the DPS will augment the regular Highway Patrol force.

Garrison commended the several public and private agencies and organizations which are cooperating in the Fourth of July safety emphasis program.

OVER WINTERED BOLL WEEVILS CONTINUE TO SHOW UP IN FIELDS

Over wintered Boll Weevils continue to show up in fields of older cotton in Jones County, according to word this week from Jones County Agent, Kirby Clayton. Clayton made an inspection of several cotton fields over the county the last few days and found over wintered weevils in ever field checked. The weevils are feeding on the tender buds in the young cotton and on the young squares in the older cotton. Egg laying has begun in some fields of older cotton, says Clayton, but the majority of the weevils

vil damage is confined to feed punctures at the present time.

Where cotton is two and one-half weeks old or over and over wintered weevils are present, the agent recommends that farmers apply two applications of a recommended insecticide to knock out the overwintered weevils; this should prevent weevil build ups and prevent several last season poisonings. After these two applications have been applied, Clayton recommends staying out of the field until bollworms or other cotton insect pest build up to damaging infestations again.

Cutworms, armyworms and garden web worms are destroying spotted stands of young cotton in some area of the county, but damage is not wide spread at present time. Thrips and fleas are present in most all fields inspected and are causing some damage.

Clayton recommends that farmers keep a close watch on their cotton each week to keep up with the insect infestation counts.

McCAULEY RITES HELD FOR MRS. GIBSON

Services for Mrs. Edd Gibson, 70, a resident of McCauley for 50 years, were held at the McCauley Baptist Church Saturday at 2:30 p.m. Mrs. Gibson had been ill for about 18 months and had been hospitalized at Hamlin Memorial Hospital for six weeks prior to her death there at 7:20 p.m. Thursday.

Born Pearl Mae Alexander on September 27, 1892, in Tennessee, she was the daughter of Mr. and Mrs. George Alexander. On July 10, 1909, she was married in Weatherford to Edd Gibson who is now a retired farmer.

She was a member of the McCauley Methodist Church. Services were conducted by the Rev. John Ferguson, pastor of the McCauley Methodist Church, the Rev. Fred Brown, pastor of the First Methodist Church, Turkey, and the Rev. Gerald Tidwell, pastor of the McCauley Baptist Church.

Burial was in McCauley Cemetery with grandsons serving as pallbearers.

Survivors include the husband of McCauley; two sons, E. T. (Buddy) and Willard, both of McCauley; six daughters Mrs. S. P. (Sam) Cox, Mrs. J. P. (Estelle) Self, Mrs. Doc (Ruby Faye) Lawlis, all of McCauley; Mrs. A. W. (Roberta) Jeffers, Mrs. J. T. (Jewell) Jeffery, both of Sylvestre, Mrs. C. D. (Bill) Herron of Rotan; five brothers, Pat of Weatherford, Bob, Jim, Cyrus and Roscoe, all of Las Cruces, New Mexico; two sisters, Mrs. W. A. Anderson of Las Cruces, Mrs. Alma Fletcher of Weatherford, 31 grandchildren and 32 great-grandchildren.

Two Local Youths Enlist in Naval Reserve Monday

Two Hamlin High School Students enlisted as Seaman Recruits in the Naval Reserve Monday night it was announced by Naval Reserve Surface Division 8-96 in Abilene. Kenneth Scott, son of Mr. and Mrs. Woodie B. Scott, and David Contreras, son of Mr. and Mrs. Trine Contreras, enlisted for two years of active duty with the fleet and four years of inactive duty in the Naval Reserve.

Each of the new Naval Reservists will go to the Naval Training Center in San Diego, California, for two weeks of Recruit Training the month of August. They will return to Hamlin to enter school in September, 1964 after graduating in the spring.

Scott, a junior, is scheduled for active duty in September, 1965 after completing his high school work. Prior to reporting for active duty both Reservists will be attached to Reserve Surface Division 8-96 and will attend the meetings of the Division in Abilene each Monday evening.

FORTY YEARS AGO

With the nice rain of about three-fourths of an inch, last Friday night and the shower Monday night all kinds of crops are looking up. The rains were just like they were ordered—just enough to soften and settle the dirt around young cotton. Most fields are looking fine, good stands and complaint this week about Jumbo Grasshoppers, however they are still working in some sections. There is fine deep moisture as a result of the early rains and hereafter it will take only an occasional light rain to suffice.

Mrs. E. S. Sebastian and little daughter, returned Tuesday from Abilene, where she visited her sister, Mrs. Cawyer.

The STRENGTH of a Nation...

At this time, our thoughts are turned to our nation and the war that was fought to bring freedom to our land. Pictured here is a monument to the leader of our people at that time. The people were willing to give their lives that we might be free from tyranny, and have the right to worship as we please. God was with us then as he was with the children of Israel when Moses led them from Egypt. Upon receiving their freedom they sang... "The Lord is my strength and song, and he is become my salvation; he is my God, and I will prepare him an habitation; my father's God, and I will exalt him." Exodus 15:2

Help keep our Nation strong by relying on the strength of the Lord. Attend Church Regularly.

By MRS. ELMER JOINER

All farmers out this way are driving tractors full speed ahead this Monday morning, trying to beat the weather forecast of thundershowers for today and tonight. The thundershowers got dangerously close Sunday night, but didn't develop. Fields are barely able to be plowed, after the big rain last Wednesday night, so we certainly aren't needing any more right at this time. Crops are doing well, so are the weeds, but with good plowing they can be pretty well controlled if it doesn't rain again.

Last Monday morning Mrs. E. A. Henry was listening to the news and heard about the bus wreck in Houston, which

was carrying a load of G. A. S. to the National Convention in Memphis. Knowing that she had two granddaughters that were to go from Houston, on the bus from there, she had several frightened moments until she got in contact with Mrs. Jimmy Henry, mother of the girls. They were on the bus when it overturned on a slick road, before getting out of Houston, but when she reached them by phone they were already home from the Hospital where they were examined for injuries, and were safe.

Mrs. Flavel Holmes, Mrs. Jack Wright and Mrs. Raligh Bond attended the gift tea in Abilene last week, honoring Flora Ann Ratliff, who will be married soon. She is a niece of Mrs. Earl Herbst, of Hamlin, and has visited with her quite a lot in the past.

Mr. and Mrs. Elmer Joiner went to Lubbock Monday to see his sister, Mrs. Herry Kee, who recently underwent surgery. She was out of the hospital

and doing fine, but will have to take treatments for four weeks.

Wednesday night the mid-week services were well attended and a real good singing was enjoyed. Our church had the same number in both services Sunday, then the same number Wednesday night. We challenge any of the larger churches to say that for their Wednesday night services.

Several visitors were on hand Wednesday night. Mrs. Doyal Bills and little daughter Jana, Houston, was visiting her parents, the Winsons Grays. Accompanying them was a friend, Mrs. Martha Bratz, also of Houston. Mrs. Bratz was reared in a family that sings in a gospel quartet, so we enjoyed having her to help out with the singing and also the playing.

Frank Mackey, Los Angeles, nephew of the Grays, was also visiting with them, and attended services Wednesday night. And we are always glad to have Mrs. Raligh Bond to visit and help out with the singing.

Sunday morning visitors included Mrs. Mary Ellen Tanner and Larry, Abilene. Mrs. Tanner is the mother of our new pastor's wife, Mrs. Kenneth Leverett. Mr. and Mrs. J. D. King, Midland, guests of her sister, Mrs. Fred Rosenbaum, were in services also.

It has been learned that we lost a family in our community last week. Mr. and Mrs. Billy McDuff and two children, moved last week to south of Anson. They will continue to farm the place where they have been living.

Beginning this Monday morning, Penny Ford will be employed at the F. and M. National Bank in Hamlin.

Mrs. E. A. Henry and her sister-in-law, Mrs. Mary Sue Henry, Rule, made a little trip last week from Tuesday through Friday, to Lubbock, who recently lost her husband, then in the days they visited rela-

tives in Crosbyton, Petersburg, Lubbock and Muleshoe. Mrs. Henry reported that crops up there just aren't there, owing to the stormy weather suffered recently.

Wednesday visitors of the Drake family were, Mrs. Margaret Isbill and baby from Houston, Mrs. Pete Patterson and daughter, from Hamlin.

Mr. and Mrs. Herman Gray Los Angeles, visited his brother, Mr. and Mrs. Winsen Gray, last Wednesday.

Mrs. Elmer Joiner attended council for the H.D. clubs in Anson, Wednesday.

Mr. and Mrs. Winsen Gray, spent the weekend in Amarillo, visiting with Mr. and Mrs. Marvin Johnson and sons, also with Dorothy Gray, who is in beauty school in Amarillo.

Elmer Joiner received word Saturday that a cousin, Ira Joiner, had passed away in Lampassas, to be buried Sunday, but they were unable to attend.

First state to abolish capital punishment was Michigan, in 1847.

Jimmy Hawkins To Attend McMurry Band School

ABILENE—Jimmy Hawkins of Hamlin has completed plans for attending the McMurry College Band and Twirling School July 14 through July 27. Jimmy is the son of Dr. and Mrs. E. J. Hawkins.

More than 200 junior and senior high-schoolers from 50 West Texas cities and towns have registered for the school that will be directed by Dr. Raymond T. Bynum, McMurry professor of band, known in West Texas for his showmanship.

A staff of 24 top-flight instructors from throughout West and Central Texas have been engaged. Classes will offer specialized training in individual instruments, conducting, marching and twirling, stage band, theory and concert band performance, drum majoring and twirling.

The students will live in air-conditioned dormitories or off-campus if it is more convenient. Appropriate social activi-

ties and sports, under experienced guidance, are arranged for the off hours and evening.

The maternal grandmother is Mrs. Opal L. Smith and the paternal grandparents are Mr. and Mrs. E. B. Watson, both of Hamlin.

Mr. and Mrs. Carol Wright of Levelland are the parents of a baby girl born June 22. She weighed 7 lb. 8 oz. and was named Janette. They have three other children, Billy Carol, Mark Allen and Julie Ann.

The maternal grandparents are Mr. and Mrs. Clifford Stuart of Hamlin and the maternal grandparents are Mr. and Mrs. O. B. Myers of Muleshoe.

Teen Drivers Often Advertise Insecurity

AUSTIN—The Texas Safety Association reports that teen drivers who "drag" on public roads, play "chicken" games, or tear recklessly around making all the noise they can with their cars are advertising the very insecurity they try to hide.

TSA advises teenagers who want to be accepted as adults to drive quietly, safely and with skill—the way any mature, well-adjusted person does.

Pago Pago. In American Samoa, is pronounced pango pango.

IS YOUR VISION UP TO PAR?

Just as other parts of your body, your eyes and vision should be examined regularly. Neglect is often costly.

light out

and get lost...

Chevy II Wagons—

The heart of a suitcase. The rustle of a road map. There's something about one of these spruce, surprisingly spacious wagons that can turn even the routine preparations into a happy part of your trip.

Take that old bugaboo of packing, for instance. No bother. With the kind of room you get in that easy-loading cargo compartment, you can just about toss things in any old whichway and come out with space to spare. The load won't dampen the spirits of the spunky 6-cylinder

AT YOUR CHEVROLET DEALER'S

engine either. It just hums along passing up gas pumps (there's also a choice of an even thrifter 4 in most models) like it didn't have a care in the world. Fact is, it has far fewer cares than most engines—being built with the special knock Chevrolet engineers have for dependability and ease of maintenance.

Like a car with ginger—without a lot of needless gingerbread? Your dealer's got a full line of Chevy II's to pick from. Why not drop down and check now while the trading and the traveling are especially good?

JONES COUNTY HD COUNCIL HOLDS REGULAR MEETING WED.

The Jones County Home Demonstration Council met for their regular session on Wednesday afternoon in the office of Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent. Nineteen members and three visitors represented ten Home Demonstration Clubs. All four council officers were present: Mrs. Elmer Joiner, Council Chairman, presided. Mrs. H. H. Dunkin, Council Recreation Chairman of Avoca, gave the opening exercise, Club and Committee reports were given.

The Home Demonstration Clubs turned in 1964 yearbook check sheets. Mrs. Karl Bonneaux THDA chairman announced that THDA delegates will be elected at the July Council meeting. There will be a training meeting for those delegates in Mrs. Newberry's office before the State Meeting at San Antonio in September.

The 4-H Dress Revue was announced for July 9 at 7:30 P. M. in the Anson High School Cafeteria.

The Home Demonstration Rally Day was announced for Friday, June 28 at the Hamlin Oil Mill Guest House. Registration will begin at 10:00 a.m. There will be a covered dish luncheon at noon.

Mrs. Newberry announced a yearbook committee meeting in July in her office. The 1964 program of work for the Home Demonstration Clubs are now in the process of being worked out.

The Jones County Fair was announced for August 22, 23, 24. The home demonstration clubs will have an exhibit at the Abilene West Texas Fair also.

A county wide meeting on "Adequate Wiring in the Home" was announced for June 21 at 9:30 A.M. in Mrs. Newberry's office. The West Texas Utilities Company personnel will

conduct the program. Mrs. I. B. Ray, Council vice Chairman gave a summary of the meeting.

McBride Circle Hears Program by Mrs. Waggoner

The McBride Circle of the WSCS of the First Methodist Church met Tuesday morning in the home of Mrs. James Harrison for a program by Mrs. Jerry Waggoner.

Mrs. Waggoner used the subject "Just Suppose" which was presented as a challenge to the WSCS membership.

Mrs. Bill Davis, chairman, presided and announced the July general meeting next Tuesday morning from 10 to 11 a.m. at the church.

Twelve members and one guest were present. The next meeting will be in the home of Mrs. W. A. Hawkins.

Former Member Speaks to Alathean Sunday School

The Alathean Sunday School Class of the First Baptist Church had a former member as guest speaker at their meeting last Wednesday morning in the home of Mrs. Revis Robertson.

Mrs. Lesley Shelburn of Snyder spoke to the class on "Pattern for Christian Growth" using a dress pattern as a background.

Mrs. Robertson was assisted by Mrs. Elbert Payne as co-hostess and her daughter, Revena Kay and Martha Marie, served refreshments.

Mrs. A. R. Kim, class president, presided for the business session.

Guests were Mrs. Tom Routh, Mrs. W. Wallace and Mrs. C. C. Rister of Lubbock.

Bridge Club Plans Guest Nights

During the month of July the Hamlin Duplicate Bridge Club will have new guest night at their meeting at 7:30 each Tuesday evening in the Oil Mill Guest House. There is no charge for new players and they will be paired with experienced players.

Winners of the Tuesday evening session were Mrs. W. O. Willbanks and Mrs. Floyd Briscoe, first; Mr. and Mrs. Henry Albrighton, second; and Harry Yates of Stamford and Gene Knabel, third.

Mrs. W. J. Kim Heads Circle

The Kemp Circle of the First Methodist Church met in the home of Mrs. L. C. Bonds Monday to elect officers for the coming year.

Mrs. W. J. Kim was elected chairman; Mrs. Andy French, vice chairman; Mrs. M. L. Smith, secretary-reporter; and Mrs. H. E. Black, treasurer.

Their next meeting will be in the home of Mrs. Perry Sparks.

In Houston they visited with Mrs. Moore's brother, Leonard Pillands and family, Mr. and Mrs. Joe Hymer and two children. The Hymers came to Hamlin Saturday to visit with their parents, the Moores and Mr. and Mrs. Don Hymer. They returned home Sunday.

All is not work in 4-H for we enjoy a two day camp ever summer. This year it will be June 10th-11th at Luder's Baptist Encampment Grounds. There we will combine fun and learning. We have a County-Wide 4-H Weiner Roast and Skating Party each spring and a 4-H Share the Fun Festival. The State 4-H Round Up will be held this year June 4-5, and 6th in College Station. Jones County had nine 4-H girls and boys who qualified to go. Those being: Margaret Ann Winkles, Carol Watts, Sue McGlathery, Danny Dillard, Clifford Underwood, Edward Shott, Albert Wilhite winners of the Share the Fun Contest and Mimi Sue Olson and Stanley Harvey, winners of the demonstration on Range Management. This is always an opportunity that 4-Hers are happy to participate in.

I hope this brief summary of what 4-H is and does is of help to any readers who might not know what 4-H is. And to the parent who says "My daughter is in 4-H and she just isn't interested in it." May I ask, "Are you?" Because if you are not, chances are she will never be.

Leadership training, citizenship training, development of personal responsibility and changeable for interest and participation in 4-H.

COUNTY HD AGENT TELLS OF VALUE OF 4-H TRAINING

After being in Extension Service for about seven years in Jones County and in Amarillo, it is hard for me to realize that many people do not know what 4-H is or does, and the value of its training, unless they happen to have children who are active in 4-H work. 4-H can be one of the most influencing factors in a child's life if he will take advantage of its opportunities and if his parents understand its purpose and encourage their child's interest.

To answer briefly the question "What does 4-H do?" I might list as its three main objectives: to develop leadership and personal responsibility, to develop citizenship through love of country, God, and other people, and to develop skill through project work.

Every child needs a certain responsibility all his own, whether it is large or small. 4-H projects help develop responsibility as well as skills. What better way is there to develop responsibility and initiative than through caring for a dairy calf of one's own? A county Stock Show gives boys and girls an opportunity to exhibit animals which they have trained. For the girls there are many events to help them grow socially such as Dress Revue, Favorite Food Show, Elimination Contest, Achievement banquet, Share the Fun Festival and other events.

Skills are developed through the many projects, offered, such as foods, clothing, field crops, yard beautification, home improvement, tractor maintenance. An opportunity to exhibit and further develop these skills as well as to gain poise, speaking ability and self confidence is provided through county activities.

By holding offices in local, county, and state 4-H organizations and performing the duties involved in these offices, 4-Hers gain leadership ability and develop initiative. Trips to the District and State 4-H Council, trips to National 4-H Congress in Chicago are worthwhile experiences in many respects.

When older 4-Hers help the younger 4-Hers (such as our Junior Leaders Club of girls who have assisted the younger 4-Hers in their cooking and sewing projects) they are developing their leadership ability as well as helping others. It is not the ribbon, pin or prize money that truly benefits the 4-Hers, although we have some who feel that if they do not win the top prize then they no

longer have any use for 4-H. Parents and 4-Hers ask yourselves if you fall in this category.

4-H develops citizenship through teaching respect to the flag. The pledge to the flag opens every 4-H meeting.

And last of utmost importance, 4-H tries to teach the satisfaction of a job well done. No one can expect to win something for nothing in this organization. It seems to me that many of the ills of this world could be cured if everyone did the best he was capable of, in whatever job he does. We are interested in teaching girls to enjoy homemaking by doing homemaking tasks well and developing a positive attitude toward homemaking. It seems the fad now-a-days for a girl to go into marriage without any knowledge of the basic and eventual duty of all girls-homemaking. We try to teach 4-H boys to be efficient in agricultural and technical skills. But most of all, 4-H tries to teach youngsters to try hardest to do the job well. 4-Hers are asked to keep a written record of everything they do; thereby, they are encouraged to be systematic in their work. Organization is the key to success in many fields. "To Make the Best Better" signifies the purpose of the organization.

ONE BILLION DOLLARS REPAYED

By **RURAL ELECTRIC COOPERATIVES**

ONE BILLION DOLLARS is the handsome figure repaid by the rural electric cooperatives of the nation.

\$1,220,686.00 of this amount has been repaid by Midwest Electric Cooperative together with \$759,598.00 in interest. But "handsome is as handsome does." How has this borrowed money been used? It has been used to set poles and string lines to furnish electricity to people who had no electric service. This dependable low cost electric service has warmed the hearts and homes of the member-owners, contributed to the health and happiness of the community, encouraged rural industry and stimulated the local economy. The loans advanced for rural electrification are producing handsome dividends for the entire community.

CLASSIFIEDS

AS IT LOOKS FROM HERE...

By Congressman Omar Burleson

Washington, D. C. Thomas Jefferson: "We hold these truths to be self-evident, that all men are created equal." There is no postscript to this statement which says that in some cases and under certain conditions, some people must

be considered more "equal" than other.

THE EQUALITY OF MAN MUST BE RELATED to the Constitutional guarantee that all men should have the right to life, liberty and the pursuit of happiness. This means in simple terms, the sanctity of the person, the sanctity of the ownership of property and sanctity of the home.

ANYTHING BEYOND THE "RIGHTS" of man, to be protected from other men, which is fundamentally the basis of legal logic, is privilege. To legislate privileges for one group is to infringe on the freedom and liberties of others.

FREEDOM OF OPPORTUNITY IN ACCORDANCE with one's ambitions, initiative and ability is one thing. Privilege and advantages at the expense of liberty and freedom for others, is another.

WE ARE A PEOPLE OF PREJUDICES AND BIAS—prejudices of all kinds. There has been only one man on earth who was completely free of them. Out of control, these human characteristics may become unchristian. But is to tell the individual that under law he is not free to sell his property to whom he pleases; to employ people in his private business according to his judgment; and to limit his personal associations as he sees fit?

IMAGINE WHAT WOULD HAPPEN IF PEOPLE of other Churches were told that they must attend my Church at least one Sunday in order that they might better understand our religious doctrine and better understand one another. What would be the reaction of Masons if told they must attend meetings of the Knights of Columbus, or vice versa? The central issue in the so-called Civil Rights legislation now pending in the congress is not simply one of just "black and white." It is a matter as to whether or not the Jewish people shall be allowed to choose members of their clubs, hotels or neighborhoods. It is a matter of whether the Chinese people in San Francisco can justify their rights to privacy. It is a matter of em-

powering the Federal Government to invade the private property of its citizens in the name of Civil Rights.

GRANTED THAT UNCONTROLLED AND EXCESSIVE prejudices become at some point unchristian. Is it any less so to impose conditions by force of law upon the individual, for whatever reason, which diminishes and erodes his freedom and liberty? And is it Christian to stir hatreds in the breast of people as is being done today?

IT IS REASONABLE THAT ALL CITIZENS AND TAXPAYERS who contribute to public facilities should have the right to their use, but the demands of the present go far beyond this concept.

AS INDIVIDUALS WE HAVE OUR "RIGHTS" and they are protected by law—until authority is granted to take away those rights in order to grant privileges to others.

WHILE THE COURTS ARE NOW OCCUPIED WITH CASES INSURING THE rights of some, there will inevitably come a day when it must deal with the question of taking the rights of those who once had them.

THE PENDULUM HAS ALWAYS RETURNED from one extreme to the other. Some day it must say that it is unconstitutional to take away a citizen's right to life, liberty and the pursuit of hap-

Rebels Win League Championship

Roscoe Glamour Girls were defeated by the Rebels last Saturday 18-3.

Hamlin won the league championship Monday when Mrs. Bobbie Smith pitched a no-hitter against the Roscoe Sluggers. The Rebels piled up 12 runs.

Saturday night the Rebels play Hermleigh and Monday they play the Glamour Girls.

The Rebels would like to thank Ted Seay for giving them the ice water for all their games.

SETTING LIGHT POLE IN PLACE—(Left) Members of the Hamlin Jaycees line up one of the four light poles installed at the high school tennis court Thursday night with the help of a winch truck furnished by Earl Johnson. James Wright, president of the club, said that the club is furnishing the poles and the labor for the project, the City Council furnished the lights and electrical equipment out of the city's recreational fund and the school will maintain the system. Shown above, left to right are: Joe Ford, Jerry Hilburn, Guy Weaver (kneeling), Nordie Bayouth, chairman, C. R. Dansby, and Wright (kneeling).

INSTALLING THE LIGHTS—(Above) L. R. Browning is shown as he is in the process of installing two of the four lights to be mounted on each of the four 28-foot steel poles at the high school tennis courts. Each pole will have four 1500 watt lights mounted on them. The lights will be operated by two coin boxes, one for each court, and the charge will be 25c for 30 minutes and 10c for 10 minutes. As of Wednesday the lights were ready to be used with the exception of the installation of the coin boxes which have not arrived as yet. The school will receive the money from the boxes and in turn will furnish the electricity and the light bulbs.

COUNTY FILES THREE MORE DELINQUENT TAX SUITS

Three new tax suits were filed in 104th District Court at Anson this week by Bill B. Hart, delinquent tax collector for the county. Named were two pieces of property in Stamford and one in the Avoca school district.

One suit claims A. L. Soree is delinquent with taxes on lot 6, block 110, original town of Stamford, for the years 1924 through 1925, also 1928 to 1935, and 1955 and 1962. Suit claims \$109.25 is due Jones County and \$79.40 is due the state of Texas.

Ava Taylor Davis of Austin is named for failure to pay taxes on oil royalty for production in the Avoca area. Petition claims taxes have not been paid for the years 1940 and 1941 and 1945 through 1962. State taxes total \$398.02 while due the county is \$574.61.

Floyd Lindsey, formerly of Stamford but now of Hereford was named in the third suit. Property involved is located on West McHarg Street and is

listed as Stamford Builders Supply. Taxes are delinquent for 1950 and 1963 and 1955 through 1962. State taxes due are \$441.00, while for the county, the total is \$759.60.

Four other cases were filed in civil court, one seeking collection of a note, one asking compensation for an injury and two asking divorces.

Joe V. Boyd is joined with Don L. Boyd and Dan E. in a suit on a note, naming Walter Hales the defendant. Suit claims Hales of Scurry County had paid \$10,000 on the principal but has paid no interest. Suit seeks collection of \$58,937.43 which includes attorney's fees.

Enis Luna, who lives in Taylor County but who was injured while working for Anderson Construction Co. in Jones County, is asking compensation of \$35 per week for 45 weeks and \$15.50 per week for 105 weeks.

Peggy E. Glaze is asking divorce from Donald L. Glaze, and Lois Rabjohn is seeking a similar decree from George Horace Rabjohn.

EIGHT EXPECTED TO DIE ON STATE HIGHWAYS OVER FOURTH

AUSTIN. The director of the Texas Department of Public Safety reported today the state is approaching the midpoint in the years amid definite indications that traffic deaths will hit an all-time high in 1963.

Col. Homer Garrison Jr. at the same time announced that the expected traffic death toll for the Fourth of July is eight fatalities, and called upon Texas drivers to "make this holiday the turning point in this year's traffic toll."

"If we continue to take lives at the present rate 1963 will become the most deadly year in Texas history for traffic fatalities," he said. "Motorcycles at this time are over 100 more than at the same time last year, and considering the trend of increased accidents and casualties, we have every reason to expect that traffic deaths will exceed the previously all time high in Texas of 2,611 in 1956.

Only 194 more deaths in 1963 will take a total of 2,805 deaths, an all-time high and an increase for the year of eight percent over 1962. Deaths this year have consistently been in excess of eight percent over 1962.

Our Statistical Services advises that this is not just a probability, that it is fairly certain to become a reality unless something happens to break the trend."

Garrison said that "Operation Motorcade" will be in effect from 12:01 a.m. until 11:59 p.m. July 4 in order to focus attention upon the added dangers of holiday traffic is at a peak. As part of the operation, which calls for maximum enforcement and public support, additional personnel from other uniformed services of the DPS will augment the regular Highway Patrol force.

Garrison commended the several public and private agencies and organizations which are cooperating in the Fourth of July safety emphasis program.

He said the Texas Council of Safety Supervisors and the Texas Motor Transportation Association will again sponsor the "Holiday Road Patrol," consisting of a fleet of 35 to 40 cars which will be used to assist stranded motorists over the state during the holiday. The cars will be manned by members of the Council, who also are safety directors, safety supervisors and safety engineers for the trucking industry, whose purpose will be to help relieve highway patrolmen for enforcement work.

The Texas Safety Association, with the cooperation of the newspaper, radio and television media, will conduct a public information program stressing the need for courtesy and caution on the streets and highways during the holiday. Numerous Junior Chamber of Commerce clubs over the state, coordinated by W. F. (Bill) Leonard of Dallas, vice-president for traffic safety for the TSA, will operate rest spots for fatigued travelers to whom they will serve free coffee.

The Texas Association of Broadcasters will conduct a statewide "Drive Lighted and Live" program in which constant appeals will be made to motorists to drive with their headlights on during the Fourth of July to focus attention on the need for legal and safe driving habits.

And the Texas Highway Department will carry on its continuing information and educational program through the publication of media to instruct drivers on such subjects as freeway driving and the need for caution around construction areas which are greater in number during the summer months.

OVER WINTERED BOLL WEEVILS CONTINUE TO SHOW UP IN FIELDS

Over wintered Boll Weevils continue to show up in fields of older cotton in Jones County, according to word this week from Jones County Agent, Kirby Clayton. Clayton made an inspection of several cotton fields over the county the last few days and found over wintered weevils in ever field checked. The weevils are feeding on the tender buds in the young cotton and on the young squares in the older cotton. Egg laying has begun in some fields of older cotton says Clayton, but the majority of the weevils damage is confined to feed punctures at the present time.

Where cotton is two and one-half weeks old or over and over wintered weevils are present, the agent recommends that farmers apply two applications of a recommended insecticide to knock out the overwintered weevils; this should prevent weevil build ups and prevent several last season poisonings. After these two applications have been applied, Clayton recommends staying out of the field until bollworms or other cotton insect pest build up to damaging infestations again.

Cutworms, armyworms and garden web worms are destroying spotted stands of young cotton in some area of the county, but damage is not wide spread at present time. Thrips and fleas are present in most all fields inspected and are causing some damage.

Clayton recommends that farmers keep a close watch on their cotton each week to keep up with the insect infestation counts.

FORTY YEARS AGO

With the nice rain of about three-fourths of an inch, last Friday night and the shower Monday night all kinds of crops are looking up. The rains were just like they were ordered—just enough to soften and settle the dirt around young cotton. Most fields are looking fine, good stands and complaint this week about Jumbo Grasshoppers, however they are still working in some sections. There is fine deep moisture as a result of the early rains and hereafter it will take only an occasional light rain to suffice.

Local Agent Named Rookie of Month

Lane Fletcher, local agent for Great National Life Insurance Company with headquarters in Dallas, was named "Rookie of the Month" for sales made during the month of April.

Fletcher, who joined the company February 15, was the top new man and also ranked eighth in the complete sales force.

Formerly employed by the Santa Fe Railroad, he lived in Slaton before returning to Hamlin in 1961. He was employed with Great Plains Life Insurance Company of Lubbock before joining Great National.

A graduate of Hamlin High School, he is the son of Mr. and Mrs. W. W. Fletcher. He and his wife, Beth, have one child.

On May, 1830, the first train drawn by a steam engine rolled down 12 miles of track on the B. & O.

Mrs. E. S. Sebastian and little daughter, returned Tuesday from Abilene, where she visited her sister, Mrs. Cawyer.

On July 18, 1938, Douglas Corrigan landed in Dublin on his "wrong way" flight.

William Howard Taft was the first President of the 45 states.

The STRENGTH of a Nation ...

At this time, our thoughts are turned to our nation and the war that was fought to bring freedom to our land. Pictured here is a monument to the leader of our people at that time. The people were willing to give their lives that we might be free from tyranny, and have the right to worship as we please. God was with us then as he was with the children of Israel when Moses led them from Egypt. Upon receiving their freedom they sang... "The Lord is my strength and song, and he is become my salvation: he is my God, and I will prepare him an habitation; my father's God, and I will exalt him." Exodus 15:2

Help keep our Nation strong by relying on the strength of the Lord. Attend Church Regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

...and Today It's 35% Cheaper!

The use of safe, modern, flameless electricity has changed in so many ways the past 20 years... especially in the COST area! While just about everything else you've bought in the past 20 years has gone UP, the cost of electricity has gone DOWN. The average cost of a kilowatt-hour to residential customers served by WTU has gone down 35% in the past 20 years! Share this cheering thought with your neighbor.

FAIRVIEW NEWS

All farmers out this way are driving tractors full speed ahead this Monday morning, trying to beat the weather forecast of thundershowers for today and tonight. The thundershowers got dangerously close Sunday night, but didn't develop. Fields are barely able to be plowed, after the big rain last Wednesday night, so we certainly aren't needing any more right at this time. Crops are doing well, so are the weeds, but with good plowing they can be pretty well controlled if it doesn't rain again.

Last Monday morning Mrs. E. A. Henry was listening to the news and heard about the bus wreck in Houston, which

By MRS. ELMER JOINER

was carrying a load of G. A. S. to the National Convention in Memphis. Knowing that she had two granddaughters that were to go from Houston, on the bus from there, she had several frightened moments until she got in contact with Mrs. Jimmy Henry, mother of the girls. They were on the bus when it overturned on a slick road, before getting out of Houston, but when she reached them by phone they were already home from the Hospital where they were examined for injuries, and were safe.

Mrs. Flavel Holmes, Mrs. Jack Wright and Mrs. Raleigh Bond attended the gift tea in Abilene last week, honoring Flora Ann Ratliff, who will be married soon. She is a niece of Mrs. Earl Herbst, of Hamlin, and has visited with her quite a lot in the past.

Mr. and Mrs. Elmer Joiner went to Lubbock Monday to see his sister, Mrs. Henry Kee, who recently underwent surgery. She was out of the hospital

and doing fine, but will have to take treatments for four weeks.

Wednesday night the mid-week services were well attended and a real good singing was enjoyed. Our church had the same number in both services Sunday, then the same number Wednesday night. We challenge any of the larger churches to say that for their Wednesday night services.

Several visitors were on hand Wednesday night. Mrs. Doyal Bills and little daughter Jana, Houston, was visiting her parents, the Winson Grays. Accompanying them was a friend, Mrs. Martha Bratz, also of Houston. Mrs. Bratz was reared in a family that sings in a gospel quartet, so we enjoyed having her to help out with the singing and also the playing.

Frank Mackey, Los Angeles, nephew of the Grays, was also visiting with them, and attended services Wednesday night. And we are always glad to have Mrs. Raleigh Bond to visit and help out with the singing.

Sunday morning visitors included Mrs. Mary Ellen Tanner and Larry, Abilene, Mrs. Tanner is the mother of our new pastor's wife, Mrs. Kenneth Leverett. Mr. and Mrs. J. D. King, Midland, guests of her sister, Mrs. Fred Rosenbaum, were in services also.

It has been learned that we lost a family in our community last week. Mr. and Mrs. Billy McDuff and two children, moved last week to south of Anson. They will continue to farm the place where they have been living.

Beginning this Monday morning, Penny Ford will be employed at the F. and M. National Bank in Hamlin.

Mrs. E. A. Henry and her sister-in-law, Mrs. Mary Sue Henry, Rule, made a little trip last week from Tuesday through Friday, to Lubbock, who recently lost her husband, then in the days they visited relatives in Crosbyton, Petersburg, Lubbock and Muleshoe. Mrs. Henry reported that crops up there just aren't there, owing to the stormy weather suffered recently.

Wednesday visitors of the Drake family were, Mrs. Margaret Isbill and baby from Houston, Mrs. Pete Patterson and daughter, from Hamlin.

Mr. and Mrs. Herman Gray, Los Angeles, visited his brother, Mr. and Mrs. Winson Gray, last Wednesday.

Mrs. Elmer Joiner attended council for the H.D. clubs in Anson, Wednesday.

Mr. and Mrs. Winson Gray, spent the weekend in Amarillo, visiting with Mr. and Mrs. Marvin Johnson and sons, also with Dorothy Gray, who is in beauty school in Amarillo.

Elmer Joiner received word Saturday that a cousin, Ira Joiner, had passed away in Lampasas, to be buried Sunday, but they were unable to attend.

First state to abolish capital punishment was Michigan, in 1847.

Jimmy Hawkins To Attend McMurry Band School

ABILENE—Jimmy Hawkins of Hamlin has completed plans for attending the McMurry College Band and Twirling School July 14 through July 27. Jimmy is the son of Dr. and Mrs. E. J. Hawkins.

More than 200 junior and senior high-schoolers from 50 West Texas cities and towns have registered for the school that will be directed by Dr. Raymond T. Bynum, McMurry professor of band, known in West Texas for his showmanship.

A staff of 24 top-flight instructors from throughout West and Central Texas have been engaged. Classes will offer specialized training in individual instruments, conducting, marching and twirling, stage band, theory and concert band performance, drum majoring and twirling.

The students will live in air-conditioned dormitories or off-campus if it is more convenient. Appropriate social activities and sports under experienced guidance, are arranged for the off hours and evening.

Teen Drivers Often Advertise Insecurity

AUSTIN—The Texas Safety Association reports that teen drivers who "drag" on public roads, play "chicken" games, or tear recklessly around making all the noise they can with their cars are advertising the very insecurity they try to hide.

TSA advises teenagers who want to be accepted as adults to drive quietly, safely and with skill—the way any mature, well-adjusted person does.

IS YOUR VISION UP TO PAR?

Just as other parts of your body, your eyes and vision should be examined regularly. Neglect is often costly.

Chevy II Wagons— The heft of a suitcase. The rustle of a road map. There's something about one of these spruce, surprisingly spacious wagons that can turn even the routine preparations into a happy part of your trip.

Take that old bugaboo of packing, for instance. No bother. With the kind of room you get in that easy-loading cargo compartment, you can just about toss things in any old whichway and come out with space to spare. The load won't dampen the spirits of the spunky 6-cylinder

AT YOUR CHEVROLET DEALER'S

engine either. It just hums along passing up gas pumps (there's also a choice of an even thrifter 4 in most models) like it didn't have a care in the world. Fact is, it has far fewer cares than most engines—being built with the special knack Chevrolet engineers have for dependability and ease of maintenance.

Like a car with ginger—without a lot of needless gingerbread? Your dealer's got a full line of Chevy II's to pick from. Why not drop down and check now while the trading and the traveling are especially good?

All is not work in 4-H for we enjoy a two day camp ever summer. This year it will be June 10th-11th at Luters Baptist Encampment Grounds. There we will combine fun and learning. We have a County-Wide 4-H Weiner Roast and Skating Party each spring and a 4-H Share the Fun Festival. The State 4-H Round Up will be held this year June 4-5, and 6th in College Station. Jones County had nine 4-H girls and boys who qualified to go. Those being: Margaret Ann Winkles, Carol Watts, Sue McGlathery, Danny Dillard, Clifford Underwood, Edward Shott, Albert Whitte winners of the Share the Fun Contest and Mimi Sue Olson and Stanly Harvey, winners of the demonstration on Range Management. This is always an opportunity that 4-Hers are happy to participate in.

I hope this brief summary of what 4-H is and does is of help to any readers who might not know what 4-H is. And to the parent who says "My daughter is in 4-H and she just isn't interested in it". May I ask, "Are you?" Because if you are not, chances are she will never be.

Leadership training, citizenship training, development of personal responsibility and changeable for interest and participation in 4-H.

COUNTY HD AGENT TELLS OF VALUE OF 4-H TRAINING

After being in Extension Service for about seven years in Jones County and in Amarillo, it is hard for me to realize that many people do not know what 4-H is or does, and the value of its training, unless they happen to have children who are active in 4-H work. 4-H can be one of the most influencing factors in a child's life if he will take advantage of its opportunities and if his parents understand its purpose and encourage their child's interest.

To answer briefly the question "What does 4-H do?" I might list as its three main objectives: to develop leadership and personal responsibility, to develop citizenship through love of country, God, and other people, and to develop skill through project work.

Every child needs a certain responsibility all his own, whether it is large or small. 4-H projects help develop responsibility as well as skills. What better way is there to develop responsibility and initiative than through caring for a dairy calf of one's own? A county Stock Show gives boys and girls an opportunity to exhibit animals which they have trained. For the girls there are many events to help them grow socially such as Dress Revue, Favorite Food Show, Elimination Contest, Achievement banquet, Share the Fun Festival and other events.

Skills are developed through the many projects, offered, such as foods, clothing, field crops, yard beautification, home improvement, tractor maintenance. An opportunity to exhibit and further develop these skills as well as to gain poise, speaking ability and self confidence is provided through county activities.

By holding offices in local, county, and state 4-H organizations and performing the duties involved in these offices, 4-Hers gain leadership ability and develop initiative. Trips to the District and State 4-H Council, trips to National 4-H Congress in Chicago are worthwhile experiences in many respects.

When older 4-Hers help the younger 4-Hers (such as our Junior Leaders Club of girls who have assisted the younger 4-Hers in their cooking and sewing projects) they are developing their leadership ability as well as helping others. It is not the ribbon, pin or prize money that truly benefits the 4-Hers, although we have some who feel that if they do not win the top prize then they no

longer have any use for 4-H. Parents and 4-Hers ask yourselves if you fall in this category.

4-H develops citizenship through teaching respect to the flag. The pledge to the flag opens every 4-H meeting.

And last and of utmost importance, 4-H tries to teach the satisfaction of a job well done. No one can expect to win something for nothing in this organization. It seems to me that many of the ills of this world could be cured if everyone did the best he was capable of, in whatever job he does. We are interested in teaching girls to enjoy homemaking by doing homemaking tasks well and developing a positive attitude toward homemaking. It seems the fad now-a-days for a girl to go into marriage without any knowledge of the basic and eventual duty of all girls-homemaking. We try to teach 4-H boys to be efficient in agricultural and technical skills. But most of all, 4-H tries to teach youngsters to try hardest to do the job well. 4-Hers are asked to keep a written record of everything they do; thereby, they are encouraged to be systematic in their work. Organization is the key to success in many fields. "To Make the Best Better" signifies the purpose of the organization.

ONE BILLION DOLLARS REPAID

By RURAL ELECTRIC COOPERATIVES

ONE BILLION DOLLARS is the handsome figure repaid by the rural electric cooperatives of the nation.

\$1,220,686.00 of this amount has been repaid by Midwest Electric Cooperative together with \$759,598.00 in interest. But "handsome is as handsome does" How has this borrowed money been used?

It has been used to set poles and string lines to furnish electricity to people who had no electric service. This dependable low cost electric service has warmed the hearts and homes of the member-owners, contributed to the health and happiness of the community, encouraged rural industry and stimulated the local economy. The loans advanced for rural electrification are producing handsome dividends for the entire community.

Mr. and Mrs. Berny Spurek and daughter, Rosie Caroline, of Stamford were visiting Mr. and Mrs. Tom Kutch on Friday. Mrs. Kutch was released from the Haskell Hospital last Wednesday and is improving.

Mrs. Cera Bell underwent surgery at the Stamford Memorial Hospital last Wednesday. She was released Sunday and was at home and doing fine.

Mrs. J. C. Doss of Stamford visited last week with Mrs. Katie Gerloff and Mr. and Mrs. Beno Hertenberger.

Mr. and Mrs. Don Freiling of Abilene were dinner guests of Mr. and Mrs. T. W. Jennings Sunday. Mr. Freiling filled the pulpit at the Old Glory Church of Christ for the two Sunday services.

Miss Virginia Johnson was dinner guest Sunday of Mr. and Mrs. Ansel Sawyers.

Misses Clarice and Sharon Leverett, Judy and Beverly Garner and Donnie Sawyers were in Lubbock Monday. They

visited on the campus of Lubbock Christian College.

Mrs. Beno Hertenberger and Mrs. Lynn Flowers enjoyed a luncheon at Hickman's Cafe in Aspermont last week with the members of the bridge club.

Stephanie Letz, Nancy Valenkamp, Beverly Garner and Sharon Leverett participated in the Hamlin Jaycee Tennis Tournament last week end.

Miss Sharon Leverett left Monday night for Houston where she will attend a meeting of the State 4-H Council. She is the 4-H girl representative from District 3. She will return home Saturday.

The Old Glory Variety Club met Tuesday with Mrs. Mabel Sawyers as hostess in her home.

Mrs. Jack Jones entertained her son, Kenneth, on his twelfth birthday last Friday. The group enjoyed a movie at Stamford. Included were Jimmy Leverett, and Edwin Vazlik from Old Glory and several from Aspermont. Miss Rhonda Baltz chaperoned the group to the movie.

JONES PRODUCERS HAVE OVER \$10,000 IN SCREWORM FIGHT

Texas Livestock Producers have invested \$3 million dollars in the Southwest Screwworm Eradication program, and Jones County Livestock Producers have invested something over \$10,000.00, according to Jones County Agent, Kirby Clayton. This investment, Clayton says, is to rid the county of screwworms, but unless producers follow through on the other recommended practices, the program will be a failure.

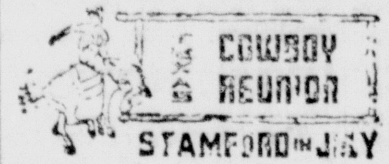

Clayton recommends spraying animals ever three weeks with Co-Ral or Korlan where practical to prevent screwworm infestations, avoid moving infested animals and report all suspected screwworm cases.

Unless livestock producers follow through on these practices, the program cannot be successful according to Marvin

Bridges, Field Representative with the Southwest Screwworm Eradication program in Mission, Texas. Mr. Bridges was here for a special meeting on Thursday of this week with County Agent, Kirby Clayton, County Chairman, Charlie Myatt and Tiny Weaver who ranches in the Truby community, to outline plans for carrying through on the Screwworm Eradication program.

Vials for reporting Screwworm Cases are available in the county agent's office and from the Vocational Agricultural teachers in the county. Sterile flies cannot be dropped in any area until positive identification has been made of the screwworms, says Clayton, and that is why it's as important to report all cases of screwworms found in the county.

The Texas Safety Association reports that many drowning victims could be saved if those nearby could keep their senses! Unless YOU are an excellent swimmer and know life-saving techniques- DON'T jump in the water to help someone in trouble. Chances are YOU will get in trouble too. The best thing you can do is call or go for help. You'll save valuable time, and perhaps prevents a double tragedy!

F-M ROADS PROVE TO BE STATE'S MOST DANGEROUS

AUSTIN.—Texas' Farm-to-Market roads are the most dangerous roads in the state, the Texas Safety Association said today in a special bulletin to all newspapers, radio and television stations in the state.

"Since the first of this year, traffic fatalities on FM roads in Texas have increased about 32 percent over last year," J. O. Musick, General Manager of TSA, said. "Traffic accidents on FM roads also are up about 33 percent."

Current accident statistics show the FM roads have the highest increase in traffic fatalities and accidents of any roads in the state. The overall traffic fatality increase is 12 percent. Traffic accidents on all roads are up approximately 10 percent.

Musick cited several reasons for the increase in fatalities and accidents on FM roads.

"Speed—too fast for existing conditions—is the major cause of trouble. Many drivers tend to drive as fast on FM roads as they do on four-lane divided highways," he said.

But, it doesn't take a student of modern math to figure out these roads are not designed for high speeds. It's just simple arithmetic and common sense."

"The standard FM road in Texas is 22 feet in width. This gives the driver one lane 11 feet wide for driving. The average automobile takes up eight feet of the 11-foot lane."

"This means the driver has about 18 inches on each side of his car for clearance and that is just not enough space for fast driving on roads which have many sharp curves and other hazards."

The safety director explained that there are many 60 degree angle curves on FM roads "drivers will find few super curves on FM roads."

Among other hazards peculiar

to FM roads, Musick listed slow-moving farm equipment and animals.

"Drivers often must check their speed when approaching tractors and other farm equipment on the road. Or, they may have to stop quickly to avoid hitting an animal crossing the roadway," he noted.

Musick also pointed out there is more traffic now on FM roads.

"The Farm-to-Market road, as the name implies, originally was designed for use of the rural community to get goods to the markets, but these roads are being used as 'short-cuts' for cross-country traveling, by campers and sportsmen pulling boats and trailers to the nearest water hole."

"And, here's where the trouble is," he continued. "Urban drivers often unfamiliar with such roads and the hazards they present. They fail to adjust driving habits for rural driving."

Musick concluded that although the FM roads currently are in the position of being the most hazardous in the state, they still can be traveled safely if drivers will "slow down" and expect the unexpected."

Head For Shore In Bad Weather

Austin.—The Texas Safety Association says boatmen caught out in the weather by bad weather should keep calm and head for the nearest sheltered shore.

If the water is very choppy, seat your passengers on the lowest part of the vessel, keeping them as close to the centerline as possible and head into waves at reduced speed. If you seem to be making no headway, attach a sea anchor from the bow to keep the boat headed into the wind.

powering the Federal Government to invade the private property of its citizens in the name of Civil Rights.

GRANTED THAT UNCONTROLLED AND EXCESSIVE prejudices become at some point unchristian. Is it any less so to impose conditions by force of law upon the individual, for whatever reason, which diminishes and erodes his freedom and liberty? And is it Christian to stir hatreds in the breast of people as is being done today?

IT IS REASONABLE THAT ALL CITIZENS AND TAXPAYERS who contribute to public facilities should have the right to their use, but the demands of the present go far beyond this concept.

AS INDIVIDUALS WE HAVE OUR "RIGHTS" and they are protected by law—until authority is granted to take away those rights in order to grant privileges to others.

WHILE THE COURTS ARE NOW OCCUPIED WITH CASES INSURING THE rights of some, there will inevitably come a day when it must deal with the question of taking the rights of those who once had them.

THE PENDULUM HAS ALWAYS RETURNED from one extreme to the other. Some day it must say that it is unconstitutional to take away a citizen's right to life, liberty and the pursuit of happiness.

IMAGINE WHAT WOULD HAPPEN IF PEOPLE of other Churches were told that they must attend my Church at least one Sunday in order that they might better understand our religious doctrine and better understand one another. What would be the reaction of Masons if told they must attend meetings of the Knights of Columbus, or vice versa? The central issue in the so-called Civil Rights legislation now pending in the congress is not simply one of just "black and white." It is a matter as to whether or not the Jewish people shall be allowed to choose members of their clubs, hotels or neighborhoods. It is a matter of whether the Chinese people in San Francisco can justify their rights to privacy. It is a matter of em-
